

SOMEWHERE TO GO. SOMETHING TO DO. SOMEONE TO TALK TO

MEN'S SHED

A Shed is symbolic of that backyard shed in the neighbourhood where men would gather to swap stories, share the news, and perhaps even work on old cars, boats, broken bikes, or electronics, etc.

If you are a retired plumber, electrician, computer technician, chef, doctor, or explorer of lesser-known arts and are willing to share your knowledge and experience, you are welcome!

If you are a man interested in learning more, leading or becoming involved in a Smoky Lake Region's Men's Shed, please contact FCSS at 780-656-3674.
